2 The following is a transcript of a telephone
3 conversation between DARREN REAGAN and ALLEN MCGILL on
4 February 8, 2005.

7 (Phone ringing)

8 ALLEN MCGILL (MCGILL): Hello.

9 DARREN REAGAN (REAGAN): Hey, brother.

10 MCGILL: Hey.

11 REAGAN: Man, I couldn't pass up the opportunity, and
12 I had to call you. Ever since I got off the phone
13 with you, man, BILL FISHER called.

14 MCGILL: Aww. Pleading and struggling and crying and
15 begging.

16 REAGAN: Aww, man. Aww, man.

17 MCGILL: I can tell you where that saga's gonna go.

18 REAGAN: Oh, boy, boy, boy, a whole hour.

19 MCGILL: Uh, you just misread us, DARREN. I mean,
20 (stuttering) we, we didn't intend to get off on the
21 wrong foot, you just misread us.

22 REAGAN: Mm-hmm.

23 MCGILL: I mean, we never, never...

24 REAGAN: ...Um, and, and PRINTICE, and PRINTICE is,
25 is the prime contractor.

1 MCGILL: Yeah, PRINTICE, oh sure, shoot yeah.
2 REAGAN: We have a signed contract
3 MCGILL: With PRINTICE.
4 REAGAN: Oh, well, I say, well, uh, you know, I, I don't
5 know what you have, really 'cause I ain't seen
6 nothing.
7 MCGILL: (laughs)
8 REAGAN: (laughs) In a (UT), in a (UI) style contract.
9 MCGILL: (laughs)
10 REAGAN: So, you know, I need to, I say I, I, I don't, I
11 hadn't seen anything far as consideration is
12 concerned.
13 MCGILL: (laughs)
14 REAGAN: Boy, ooh, boy...,
15 MCGILL: Everything got tight.
16 REAGAN: Oh, boy, he wanted to know what the thing on,
17 about the deal for tomorrow. Hold on for a second,
18 brother.
19 MCGILL: Um, hmm.
20 REAGAN: (Away from telephone) Yes, let me have a
21 number eight with uh, lemonade and a cup of water
22 please. Ma'am? No, that's it. (Back to telephone)
23 Yeah, man.
24 MCGILL: Well.
25 REAGAN: Well, he started out wanting to discuss

1 that, that, ahh, \$180,000 invoice he got there from RA-
2 MILL.

3 MCGILL: (laughs) Have mercy. Have mercy.

4 REAGAN: I said, listen. He, he said, well they had,
5 they cc'd, I said, well, that's fine, and I told him
6 that's fine. I said, but as far as anything, anything
7 related to that matter, I don't know nothing about, I
8 wasn't privy to those discussions, so I can't comment
9 on that one way or the other.

10 MCGILL: Have mercy.

11 REAGAN: I told him, I said, uh, whatever, whatever,
12 the commitment was, I mean, you take that up
13 with BILL, and y'all resolve that. I said, feel free
14 to cc me, uh, you know, and uh, that's what they did,
15 so. Now that's, that's, that's, that's, that's
16 something, brother (laughs).

17 MCGILL: Well, hey.

18 REAGAN: He said, well, see, I, I, I had, I thought
19 you were going to be taking. I said, listen, I
20 advised you from the very beginning, and I kept
21 repeating that to you. I said, you don't meet, don't
22 discuss, just send them to me. But, you couldn't
23 resist that, you had to run on out there.

24 MCGILL: (laughs)

25 REAGAN: And so, you gave an account, you gave an

1 account for something, and, and... I don't know
2 nothing.

3 MCGILL: And now, you gotta pay.

4 REAGAN: Yeah, I said, I don't know what that was,
5 y'all resolve that. But, did they, they talk to you
6 about that, I said, listen, I don't know nothing, I
7 mean, nothing, I wasn't there.

8 MCGILL: Have mercy.

9 REAGAN: So, all I know is what you said, and what
10 they say, and that's something y'all need to work out.

11 MCGILL: (laughs)

12 REAGAN: Now, brother, he sweated over that one, and
13 finally he came to grips with that I wasn't going to
14 deal with it. And so, he wanted to go on to uh, uh,
15 Pecan Grove, and then I told him, I said, well, you
16 know, you guys just keep making these bad moves out
17 here. I don't know what the hell is going on, but uh,
18 you know, I just, I decided I'd just wait until
19 everything just kind of settled down. (laughs)

20 MCGILL: (laughs)

21 REAGAN: And, maybe somebody come back and talk to
22 me, and tell me what the hell is going on here.

23 MCGILL: Boy, I love it.

24 REAGAN: Oh...

25 MCGILL: I love it. (laughs)

1 REAGAN: (laughs) Oh man, oh man. He said, well, uh,
2 well, Dallas West Village, when is that, is, is it going
3 to pass tomorrow. I said, listen, when I left that message
4 I left, said to you guys on, on February the first, I
5 still stand by, ain't nothing changed, zero, nothing.
6 Everything going to have to be relooked at. (laughs)
7 MCGILL: Have mercy.
8 REAGAN: (UI). (Away from telephone) What you say,
9 ma'am? (Back to telephone) I told him, I said and I
10 mean that, I mean every word of that, I have not
11 moved, I have not moved from, from, I said, that
12 stand, ain't nothing changed. What I said about that,
13 and... So, that, does that mean (UI). I said, listen,
14 I don't know nothing about where that is for tomorrow.
15 I said, uh, uh, frankly, I haven't, I haven't had
16 conversation with SUZAN, he said, she said, well,
17 SUZAN says that you, you, you... (Away from telephone)
18 What kind of sauce you want? Ranch. (Back to telephone)
19 I said, I returned her call, and I left word with her and
20 told her, you know, that she need to talk to you all. I
21 said, and you, you somebody talking about don't return
22 calls (laughs). But, he said, well, ahh, you said, that
23 that, that everybody needs to get comfortable with, with
24 Pecan Grove and Dallas West before you can move forward. I
25 said, hadn't nothing changed. He said, the COUNCILMAN

1 was supposed to met with SUZAN yesterday, and he
2 didn't meet with her, and he's out of town today. I
3 said, well, you know, he, sometimes that happens.
4 You know, he may return my call, he may not. (laughs)
5 MCGILL: Have mercy. (laughs)
6 REAGAN: (UI) say he busy just like everybody else.
7 MCGILL: Boy, I love it. (laughs)
8 REAGAN: (UI) and, I'm sure in time...
9 MCGILL: He'll get around.
10 REAGAN: Um, hmm.
11 MCGILL: He'll come around.
12 REAGAN: I said, but, but, uh, you asked me to, uh, try
13 to get this thing passed, but I doubt that it's going
14 to happen in this, in this, in the, ah, fashion that it's
15 in now. 'Cause we going to have to work on some
16 additional commitments, and really tighten it up and
17 get something in writing. Are we going to do that
18 tonight before, to go, I said, no, I said I don't have
19 time. I said the earliest I can get with you is Friday
20 (laughs)
21 MCGILL: (laughs) (UI) he blow his whole wad right
22 there.
23 REAGAN: But, my contract expires on this at the end
24 of the month. Well, well...
25 MCGILL: You better hurry then.

1 REAGAN: So, I said, well, I don't know what to tell you,
2 other than I'll, (UI), we'll try to start working on this
3 Friday, and I don't know how much time I'm going to have
4 then, 'cause that's Friday. Sure did, brother. He
5 panicking.

6 MCGILL: Well, I knew he did.

7 REAGAN: And the word, the word done come down, brother,
8 from his, from that, that CHARTER MAC GROUP, man, on them.
9 So, that's what happening.

10 MCGILL: Well, good. Well, good. Well, all this
11 here stuff, this wishy-washy stuff, man, he, hey.

12 REAGAN: You guys trying to run rough shod over us.

13 MCGILL: Uhm.

14 REAGAN: I mean, that ain't going to happen. Oh, he was
15 claiming that he been out of town, him and SALEEM
16 been out since, in Austin, since last Tuesday, and
17 they didn't come in until yesterday.

18 MCGILL: Have mercy.

19 REAGAN: I said, well.

20 MCGILL: And they don't have no phones up there.

21 REAGAN: Well, I said, well.

22 MCGILL: We know that.

23 REAGAN: I said, well. I told him that, I said, that
24 message left, you guys on, uh, February the first.
25 So, you know, that's all I know to tell you. That's it.

1 That is it.

2 MCGILL: Hmm. (Repeating) Mm-hmm.

3 REAGAN: Well, that's, that's pretty tough there, ain't
4 it, brother?

5 MCGILL: That's pretty tough. Well, putting him to
6 Friday, really, really blow his wad. I mean, he shot
7 his whole load.

8 REAGAN: Well, (UI). Well, I told him, I said, send me
9 over a copy of that deal that, that you have over with
10 PRINTICE, for my consideration.

11 MCGILL: Hmm.

12 REAGAN: Well, if you say we wasn't, you know, we
13 can't talk before Friday, then I don't... (Away from
14 telephone) Alright, I talk to you later, man. Have
15 your momma bring you something home, I'm gonna be at
16 the game. (Back to telephone) Yeah, well, well, you
17 know, well, my thing is this, brother, fuck him and the
18 donkey he rode in on.

19 MCGILL: I know that, and I think the message is
20 slowly seeping on down now.

21 REAGAN: Well, I said, I said, y'all, see, y'all
22 messed this up, y'all messed this up. You've had
23 those, you've had, you've had those meetings with
24 D'ANGELO, and I put it on him, brother. I said, you,
25 you had these meetings with D'ANGELO then. Y'all

1 opened up these, these cans of worms, and, and ah,
2 whatever commitments you made out here with these
3 folks, you know, you gonna, you, you have to deal with
4 them, not me.

5 MCGILL: Uhm. Well, let him sweat that 'til Friday.

6 REAGAN: Well, well. I know that's right, that's how
7 it's going to go.

8 MCGILL: Yeah. Well, let him sweat it. That's nice
9 to hear that their, their contract expires at the end of
10 this month, yeah. We'll see some urgency now.

11 REAGAN: Mmm, hmm.

12 MCGILL: Oh, yeah. I mean, you could just settle in
13 and put a new battery in your phone.

14 REAGAN: I know that's right.

15 MCGILL: 'Cause them guys going to wear it out.

16 REAGAN: Well, he's where he need to be now.

17 MCGILL: I know it is. He, he, he really, I mean, this
18 has come as a real kind of, I don't even call it a, this
19 one came around the corner, and he just walked
20 straight into it.

21 REAGAN: Well, SALEEM told him, you get out here and
22 you handle that shit.

23 MCGILL: (laughs)

24 REAGAN: I said, well, I said, well, we, you know, that,
25 I said the ball's on your end of the court after, you

1 know, once, once, we, ah, strengthen this thing up. laughs)
2 MCGILL: (laughs)
3 REAGAN: We got to, we got to really firm it up.
4 MCGILL: Yeah, well.
5 REAGAN: Because a lot of folks are counting on this
6 thing getting firmed up, and, and, and really getting some
7 assurances that you guys are going to comply with the
8 spirit and intent in every letter.
9 MCGILL: Yeah, we just need a more equitable look at
10 this whole situation, I, I, that's where I'm at, I'm
11 looking at the whole equitable deal here, 'cause
12 this...
13 REAGAN: Well, I think I got... (UI)
14 MCGILL: (UI) This ain't equitable at all, really.
15 REAGAN: No.
16 MCGILL: I mean, these guys really, I mean, they, they
17 walking away, they just cut out a slice and took the
18 pie.
19 REAGAN: Well, we, you know, everything has been
20 examined (laughs) carefully. (laughs) I'm (UI)
21 everything been examined carefully, and ah, we gonna,
22 we gonna have to firm this situation up here.
23 (laughs) Right now, right now everybody not
24 comfortable, and we gotta all get comfortable that,
25 that, ah, we working in the right direction. (laughs)

1 MCGILL: Well, hey, hey. We all want to know we
2 working in the right direction here now.

3 REAGAN: Now then, now then, cracker.

4 MCGILL: Well, that's going to keep him busy until
5 Wednesday, I mean, until Friday. Now he gonna stay
6 busy.

7 REAGAN: Well, well, he, he, he said, well now this
8 is, DON need to have, I said, well, uh, I'm not, I'm
9 not gonna call no names, I said, but we all got to get
10 comfortable and that's all inclusive. I said, when we
11 all, all is all inclusive. (laughs)

12 MCGILL: Have mercy.

13 REAGAN: I said, so. But, I can tell you this.
14 Unless we all comfortable, it ain't gonna pass, that's
15 all, I mean, that's, that's the bottom line of it, you
16 know, if you really, you know, need to stick your
17 teeth into something (laughs), there you go.

18 MCGILL: (laughs)

19 REAGAN: Need to really sink your teeth in something,
20 there you go, now.

21 MCGILL: Well, he couldn't, he couldn't wait 'til
22 tomorrow morning.

23 REAGAN: No.

24 MCGILL: He couldn't wait.

25 REAGAN: He said, SUZAN is checked on it, and it's on

1 the consent agenda. Nah, it's been pulled, brother,
2 for individual, what is that, individual...
3 MCGILL(laughs) Yeah, Council consideration here. The
4 Councilman want to see it again.
5 REAGAN: Uhm, mm. Individual consideration. Yeah,
6 so.
7 MCGILL: (laughs) Uhm, hmm.
8 REAGAN: Well, if he got a contract that goes out at
9 the end of the month, it look like to me, you got to
10 really get on in a hurry here.
11 MCGILL: I mean, that's where I'm at, he's really got
12 to get to moving. Man, I mean the end of the month,
13 this is a short month here, it's February.
14 REAGAN: Um, mmm. Oooo.
15 MCGILL: I mean, you got to get to galloping.
16 REAGAN: I told BILL, I said, BILL, just listen, uh,
17 you know, honestly, ain't none of this shit over here
18 for you all worth, you know, my time, energies, and,
19 and stressing and all that. I said, ain't none of that
20 worth my, ain't none of that important to me, really
21 not. So, you know. In just a little while, I'll be able
22 to just kind of watch you all down here. I said, I
23 wasn't, I mean, them folks down there at City Hall
24 don't see me on no regular basis. They know when I
25 show up down there, I'm showing up for a specific

1 purpose, and they all govern themselves accordingly.
2 I say, but, you know, I ain't got that kind of time to
3 be bull-shitting with you. I mean, y'all flip-
4 flopping, and this one day, and that the other day,
5 and next day, you know, I ain't got that kind of time.
6 I said, we...
7 MCGILL: Well, he couldn't hold it.
8 REAGAN: Well, I said...
9 MCGILL: He could not hold it. He couldn't make it
10 to in the morning at 8 o'clock.
11 REAGAN: Nah, well, I think he's resigned to now,
12 brother, that it ain't going to happen.
13 MCGILL: He couldn't hold it.
14 REAGAN: I done put him off 'til Friday, too.
15 MCGILL: Uhm, hmm. Well, good shot, brother, that's
16 a good one to really just get on off, and take another
17 look at that one a little while on Friday, and then
18 send him to Monday.
19 REAGAN: Yeah, that's what I'm going to do, I'm gonna
20 just, yeah, he announce it, he finally answered like I
21 knew he would.
22 MCGILL: Umm, hey,
23 REAGAN: And he, I mean, he ain't nobody, he don't
24 even, he don't even control the purse strings.
25 MCGILL: Nope.

1 REAGAN: I mean, he don't even get close to it. He's
2 the little, you know, community relations boy.
3 MCGILL: Well, that, that was kind of eye opening to
4 me, because I always thought that he was more of the
5 cruncher.
6 REAGAN: Oh, no.
7 MCGILL: And package that stuff together, but you may
8 be right, he, I, I know the other boy is 100 percent
9 owner, so, you know.
10 REAGAN: Well, they, that's represented in the
11 documents, man.
12 MCGILL: Um, hmm, I saw it. Um, hmm.
13 REAGAN: And, and, and, so, you know. He'll get out
14 here and do the other leg work that SALEEM don't want
15 to do, or ain't going to.
16 MCGILL: Yeah, well, it's politically unadvisable
17 for him to do that, you know. He, he knows that out here
18 in this community, some black folks can't stand him,
19 you know, so, he, he ain't going get a, he ain't going to
20 get no listen to out here.
21 REAGAN: Well, (long pause) mother-fucker.
22 MCGILL: Well, hey, man, I mean, but they used to
23 rolling like that...
24 REAGAN: And rolling over niggers...
25 MCGILL: ...rolling over black folks, yeah.

1 REAGAN: Rolling over niggers like that.

2 MCGILL: Well, hey, just a little bitty bump in the road.

3 REAGAN: Well, and I told him that. I told him,

4 brother, I told him. Nah, partner, you got me mixed

5 up. I said, the only way you got some consideration,

6 was that KATHY brought you to me. KATHY called, I

7 didn't call KATHY, I didn't call you. And I, and, and,

8 that was out of, out of, ah, of courtesy to KATHY, and to

9 DON, and also COUNCILMAN FANTROY. But you guys, you guys

10 are, have really poisoned the well.

11 MCGILL: (laughs) I love it. (laughs)

12 REAGAN: Y'all really poisoned in the well.

13 MCGILL: (laughs)

14 REAGAN: Hold on one second. (long pause) Yeah, I

15 said, y'all really poisoned the well, and took all the

16 fun out of this shit, so, you know.

17 MCGILL: Well, brother, he, he just couldn't wait

18 'til in the morning.

19 REAGAN: I just flat out told him, I said, I could

20 give a shit if it, if it, if it fail, I really could.

21 I said, it don't matter to me at this point. The shit

22 y'all done pulled out here, I said, it really don't

23 matter. I'm sure it matters to you all, but it don't

24 matter to me at this point. Y'all really poisoned the

25 well for me. Can't nobody drink out that bastard.

1 MCGILL: Hey, hey. (laughs)
2 REAGAN: So, you know, y'all, y'all help yourself.
3 MCGILL: Well, that's what I told your boy out there,
4 I told him.
5 REAGAN: Really?
6 MCGILL: Can't drink out of that chalice no more.
7 REAGAN: (laughs)
8 MCGILL: Can't dip down in that one.
9 REAGAN: No, no. So, brother, I left him on a, I mean,
10 he is down.
11 MCGILL: Well, good.
12 REAGAN: He is really down.
13 MCGILL: Well, that's the way to leave him. Leave
14 him like that and let him, let him get that
15 confirmation tomorrow.
16 REAGAN: I said, yeah, and that flushed him on back
17 to D'ANGELO and them too. I said, you all, you went
18 out here, and you know, made commitments, and you got
19 folks pissed off at you, and you know, so, caused all
20 this confusion, and, and made all these
21 misrepresentations, and, and just, I mean, you just
22 really put the whole damn thing in jeopardy. He said,
23 yeah, I see, I see. I say, so, you know, you got to, I
24 mean, y'all going to have go out there straighten it
25 out with them guys.

1 MCGILL: Mmm, hmm. (laughs)

2 REAGAN: So, whatever you need to do to get that

3 resolved, you just get it resolved.

4 MCGILL: Mm, mm, mm. (laughs)

5 REAGAN: Man, that's the way to flush them on back.

6 MCGILL: Hey, hey.

7 REAGAN: Flush them right on back. Them guys want

8 some money that he promised them, and they need to get it.

9 MCGILL: And they going to get it.

10 REAGAN: Yeah.

11 MCGILL: They don't have no choice now, they going to

12 get it.

13 REAGAN: (laughs)

14 MCGILL: Well.

15 REAGAN: He said, I came in and I saw this invoice in

16 my inbox. I say, well, I don't know nothing about

17 what got y'all to that number, I wasn't a part of

18 those conversations, uh, wasn't privy to any of that,

19 so, y'all get that worked out amongst yourselves.

20 MCGILL: Have mercy, have mercy.

21 REAGAN: Amongst yourselves.

22 MCGILL: Well, I wanted to be in charge, and you

23 wouldn't let me be in charge.

24 REAGAN: (laughs)

25 MCGILL: So, by God, you got the steering wheel now.

1 Take it and drive on.

2 REAGAN: Yeah, that's the message there. You do what you
3 have to do, go on and settle up. (laughs)

4 MCGILL: Oh, God, (UI) hand it on up and come on back
5 fresh.

6 REAGAN: Yeah. Yeah. Go on, and, and make good on that.

7 MCGILL: (laughs) Oh, boy.

8 REAGAN: Otherwise, I don't know what to tell you.
9 You know, I do know, I do know that, I do know that,
10 that that has had an impact on everything over here. So,
11 you need, you need to go over there and try to clear all
12 that up.

13 MCGILL: Well, well, well, you told him you don't know,
14 and don't want to know, can't discuss it. That pretty
15 much killed him right there.

16 REAGAN: Yeah, brother, 'cause he kept trying to,
17 well, you know, I had, you go. I said, listen, I told
18 you once and I'm not gonna tell you no more. I did
19 not have nothing to do with that, and I don't want to
20 have nothing to do with it. That's between y'all.
21 That's it. So, don't ask me nothing else about that,
22 I mean it.

23 MCGILL: (laughs) Oh, God.

24 REAGAN: (laughs) and, I mean that too.

25 MCGILL: (laughs) Oh, that's funny. Well, he'll be

1 alright.

2 REAGAN: Oh, no question.

3 MCGILL: Yeah, he'll be alright. Him and SALEEM's gonna

4 get it worked out.

5 REAGAN: I know that. I don't care.

6 MCGILL: Yeah, they gonna get it worked out. SALEEM

7 have a way of really, really, really, you know, it, it,

8 it can get in check.

9 REAGAN: Oh, no question.

10 MCGILL: You know, maybe, maybe 90 percent of the pie

11 is better than none. (UI).

12 REAGAN: I reminded that bastard again, man, every

13 chance I get. Say, you guys, you know, you guys, were

14 looking at a project that was dead.

15 MCGILL: Uhm.

16 REAGAN: I tell you, dead, it was dead, so.

17 MCGILL: Well, they need to be reminded every minute,

18 because that, that's the only little bit of leverage

19 from the high ground that you can really put on them,

20 and that really points to that, just greed.

21 REAGAN: Yeah.

22 MCGILL: You guys are just, you know, you doing this

23 simply because you, you think you can, and because you

24 so damn greedy.

25 REAGAN: That's it.

1 MCGILL: Well, brother, it sounds like you gave him
2 some homework.
3 REAGAN: Oooo brother, if I tell you, if I tell, he
4 got it now.
5 MCGILL: Well.
6 REAGAN: He got it.
7 MCGILL: Him and SALEEM can burn some oil tonight.
8 They'll, they'll be up late tonight.
9 REAGAN: Man, DANNY, he's been really sick, brother.
10 MCGILL: Who is that, DANNY?
11 REAGAN: Yeah, man.
12 MCGILL: Really?
13 REAGAN: (Away from telephone) How you doing,
14 brother? Man, I'm just trying to hold in the middle
15 of the road, that's about it. What you been up to?
16 They drivin' you, or you just got 'em, you know, coasting?
17 Anything I can do to help the post office still float,
18 brother.
19 MCGILL: Uhm.
20 REAGAN: I mean, yeah, y'all, y'all really getting
21 your money's worth for that little piece of mail I'm
22 sending off there, four forty two.
23 MCGILL: Hey, hey. What's going on with DANNY? Now,
24 I know he had, ah, some other kind of sickness in his
25 family, or something he was telling me, ah, last week.

1 REAGAN: (Back to telephone) Yeah, he said, I think
2 he said, his, his, his wife had something, man.
3 MCGILL: Yeah. And, and he had to go pick up his kid
4 from school...
5 REAGAN: Uhm, hmm.
6 MCGILL: ...because his kid got sick.
7 REAGAN: Now, he was, he was sounding bad, man.
8 MCGILL: Damn, he may have that bug.
9 REAGAN: Yeah, I think he have the flu.
10 MCGILL: Uhm, hmm.
11 REAGAN: I think he have the flu. Well, I can assure
12 you, brother, that this thing is going to really get,
13 get firmed up round here.
14 MCGILL: Well, hey. Ain't nothing like a firm
15 foundation to start all this in here off with. Ain't
16 nothing like it.
17 REAGAN: Yeah.
18 MCGILL: Hmmp. Well, they gonna, they gonna be
19 burning some oil tonight.
20 REAGAN: Yeah. He asked me, well, what about my
21 zoning case tomorrow? I said, what about it.
22 (laughs)
23 MCGILL: (laughs)
24 REAGAN: I don't know, you know, brother, the only
25 thing I know to tell you is that it's got to get, it's

1 gotta get, ah, little bit better, it's gotta get some
2 strength in behind it.

3 MCGILL: (laughs)

4 REAGAN: Folks got to get comfortable with it, right
5 now everybody ain't comfortable. (Laughs)

6 MCGILL: Well. Boy, oh boy, oh boy.

7 REAGAN: Boy, that's tough ain't it?

8 MCGILL: He's, he's really gonna have some tough
9 stuff there to deal with.

10 REAGAN: Well, I got called all kind of nigger.

11 MCGILL: Oh, you ain't heard it until you hear it
12 from that SALEEM.

13 REAGAN: MF, son of a bitches, and...

14 MCGILL: Oh, hey.

15 REAGAN: Bastard, black bastard.

16 MCGILL: Did this to me at the last damn minute. Did
17 this to me at the last damn minute.

18 REAGAN: Well, they did it to themselves.

19 MCGILL: Well, hey.

20 REAGAN: Y'all did this.

21 MCGILL: Well.

22 REAGAN: And they causing all this confusion.

23 MCGILL: Well, hey.

24 REAGAN: And, and making all these commitments, and
25 meeting with different people, and....

1 MCGILL: All this double dealing.

2 REAGAN: Yeah, and, and, and talking to PRENTISS,
3 twitching up on the, hell, man, I, you know, I just give
4 up, I said, shit, let me just sit down somewhere, and ...

5 MCGILL: (laughs)

6 REAGAN: ...let them get it started out. 'Cause I
7 don't know what's going on day to day. That's how he
8 got to do, boy (laughs). Day to day, I just don't
9 know what the hell is going on.

10 MCGILL: Well, he, he's going to really, really have
11 a long night tonight.

12 REAGAN: Ooh, wee.

13 MCGILL: It's going to be a long night.

14 REAGAN: Ooh. You ain't...

15 MCGILL: Hey...

16 REAGAN: You ain't fixin' to like it, boy.

17 MCGILL: It's going to be long, and he's goin' be down
18 there. Now, he's going to be at City Hall tomorrow
19 now, yesterday, I didn't think he, but he gonna be
20 there tomorrow.

21 REAGAN: Well, he, I don't know what for.

22 MCGILL: Who? You go down, he may be down there at 8:30.

23 REAGAN: Well, nah, he ain't gonna go. He, he know
24 that if he show up down there everything...

25 MCGILL: Oh, that's right, he's been, he's been basically

1 banned. He's been told not to, not to ever show up,
2 'cause he, nah, he sure ain't gonna show up now.
3 REAGAN: Nah, he ain't going down there.
4 MCGILL: He'll send SUZAN.
5 REAGAN: He ain't going down there. I'm telling you.
6 MCGILL: Well, he, he, he definitely ain't going to be
7 reported as to being down there.
8 REAGAN: Not him.
9 MCGILL: Mm, not after that talk with you today too.
10 No, he, he for sure ain't gonna to try, I take all that
11 back. He ain't gonna show up. (Laugh)
12 REAGAN: Never.
13 MCGILL: (laughs)
14 REAGAN: I said, man, Al and I went down there, and,
15 and, and, ah, sat through all that bullshit, and
16 lobbied people, using up political capital, and every
17 damn thing, on these guys' behalf, and look at you.
18 (laughs)
19 MCGILL: (laughs)
20 REAGAN: Look at you.
21 MCGILL: Acting the fool.
22 REAGAN: Yeah. Just look at you. Yeah, sure did
23 tell him that, so. Y'all just, just, you know, y'all done,
24 y'all thank yourselves for ruining this. Just thank
25 yourselves. Y'all, so. He'll have me saying one

1 thing, and telling people one thing. I said, I told
2 them guys that PRINTICE wasn't the GC, and you know
3 what, he gonna sit there and tell me that PRINTICE is
4 the GC and asked me, well, who told you that?
5 MCGILL: Really?
6 REAGAN: Yeah, I went by, I should have said PRINTICE
7 told me, but I said, no, I'm not going to hang
8 PRINTICE out, but I'll just say send me over a con...
9 MCGILL: And he asked you who told you that.
10 REAGAN: Uhm, mm, yeah. He even said he don't, he
11 said, PRINTICE didn't tell you. I said, I ain't goin'
12 tell you who told me, but it came from very, very
13 reliable sources.
14 MCGILL: Well, make him look around in his own damn
15 organization.
16 REAGAN: (laughs)
17 MCGILL: Make him wonder what's going on.
18 REAGAN: (laughs) Well, he, I mean, I, he can, he can
19 probably point, take it back to PRINTICE on his own,
20 because he know damn well they didn't have a signed
21 contract. 'Cause PRINTICE never would have said that
22 to me. As a matter of fact, I guarantee he done got
23 on the phone with PRINTICE. (UI). He done got on the
24 phone with PRINTICE, what you want to bet?
25 MCGILL: I bet he has, that's one of the first things

1 he had to do.

2 REAGAN: And I guarantee you, he, I mean, he be as, he be
3 as, slimy enough, as to go and try to back-date a contract.

4 MCGILL: Well, hey, but he's told PRINTICE, look man,
5 ah, you know you was the one, I mean, I mean, you,
6 you, you didn't, you was the one.

7 REAGAN: He told, now PRINTICE told me, brother, TP&L
8 got it.

9 MCGILL: Hmmph.

10 REAGAN: And BILL want to try and tell me that D'ANG-,
11 that, that RA-MILL and them can't do nothing, they (UI).
12 I said, well, have you told them that?

13 MCGILL: (laughs) That's, that's, that's what he get for
14 going out here, and, and he basically was doing just what
15 you said he was doing, he promising this and that, and he
16 just keeping confusion among everybody, and he just
17 kind of played the cards anyway he wanted to play
18 them, whenever he wanted to. But this, this, this here
19 really gonna help him settle down some. He have to go
20 back and deal with niggers, this is really going to be
21 a bitter pill for him to have to swallow. A bitter
22 pill for him to have to go back, and he ain't got no
23 negro to really make no entrees and apologies for him.

24 REAGAN: Well.

25 MCGILL: And negotiating no, his way out of this.

1 REAGAN: No.

2 MCGILL: Yeah, that's, that's what really gonna be
3 bitter for him, he's got to fix it.

4 REAGAN: Well, we in good shape.

5 MCGILL: Hey.

6 REAGAN: We in good shape.

7 MCGILL: I ain't lost no sleep.

8 REAGAN: I know, I know that's right and I ain't...

9 MCGILL: (laughs) I ain't lost no sleep.

10 REAGAN: And I ain't going to.

11 MCGILL: When I started using that word scam, now
12 brother, I started sleeping well. No, these here,
13 here are scam artists.

14 REAGAN: Well, I'm gonna...

15 MCGILL: So, if you dealing with them, you know what
16 you're dealing with.

17 REAGAN: Well, I, I done gave you, I gave you the
18 best look on 'em that I could give, and I believe, I
19 believe I'm right on it, and the, and not having, not
20 having them guys get in there, and be able to start
21 interfering with our team, and, and drawing, drawing you
22 and GAIL in the middle of that bullshit like he doing
23 with, with this RA-MILL and them, and D'ANGELO.

24 MCGILL: Uhm, hmmm.

25 REAGAN: That's, that's what I'm talking about.

1 'Cause I could see where that was, that was coming and
2 going, and, and I know damn well where I, where I would
3 take his ass, 'cause he'll be talking about, well, I said
4 this to them, and said to that person, and this
5 person, and there you go.

6 MCGILL: Uhm, hmm.

7 REAGAN: There you go.

8 MCGILL: Well, just like he's doing now.

9 REAGAN: Exactly.

10 MCGILL: (UI) I mean, why, his behavior is
11 revealing, I mean, he, he's doing it now. That's,
12 that's, that's why this situation is like it is right
13 now.

14 REAGAN: He, he's, he's a, he's a chronic and obsessive
15 liar.

16 MCGILL: Well, he's got to be.

17 REAGAN: I'm telling you, man.

18 MCGILL: He's got to be. He's got to be, I mean, he's a
19 scam artist. He has to be. He's a scammer.

20 REAGAN: Well, I believe that.

21 MCGILL: Hey, man.

22 REAGAN: I believe, I believe that.

23 MCGILL: I mean, you know...

24 REAGAN: I'm with you.

25 MCGILL: Hey, he is a scammer, he's got to be a liar.

1 REAGAN: I, I'm, I'm with you on that one, brother,
2 I'm with you there.

3 MCGILL: I mean, these guys really think that they are
4 the slickest guys in the world, they really do. (UI)
5 They, they, they want a cut of birthday cake when this
6 deal here, both of them, both of them got on track and
7 passed?

8 REAGAN: Hold on, (UI).

9 MCGILL: Uhm, hmm.

10 (long pause, no talking at all)

11 REAGAN: Yeah, brother.

12 MCGILL: Uhm, hmm. Man, I, these guys, they, they
13 have to be big time liars, they, they, they sow confusion,
14 and don't mean a damn thing they say, especially when
15 they talking to black folk.

16 REAGAN: Well, I'm gonna...

17 MCGILL: Could care less.

18 REAGAN: I'm a firm believer, I'm a firm believer
19 there, brother.

20 MCGILL: If they, if they, if they thought that telling
21 you a lie was going to get them to the next spot, or cut
22 somebody else out, that's just what they do, it don't have,
23 they don't lose a minute's sleep about it.

24 REAGAN: Well, I believe that, I believe that.

25 Well...

1 MCGILL: I, I just, I just see it, man, as all a
2 big giant, it's like these guys hit the bingo jackpot,
3 because they, they have done torn up their ticket, and
4 threw it down on the floor, and they, all of a sudden
5 they had to go back in there and dig through all them
6 tickets, and, you know, (UI) and everything else on
7 the floor to find their two halves. And, and, boy,
8 they, they, instead of saying, wow, okay, let's, you know,
9 let's do 50 percent of this deal, them guys are
10 saying, let's figure out a way how we can get these
11 niggers out.

12 REAGAN: (UI) screw 'em.

13 MCGILL: Yeah. Let's figure out all, let's spend all
14 our time trying to figure out how we going to get them
15 out. We ain't... Whatever works, it's, it's, it's good to
16 go, but the idea is to get them out.

17 REAGAN: He says, so, DARREN, now just tell me, the
18 bottom line is what, we, we need, what, what is it I need
19 to do. I said, well, just what I said, we're gonna
20 have to firm up all of this. All this gotta be firm.
21 Gotta be solid.

22 MCGILL: (Laughs)

23 REAGAN: Right now, we don't have, we don't have
24 nothin', no type of commitment from y'all in, in, in terms
25 of y'all not flipping the deal, or developing as we

1 discussed it, nah.

2 MCGILL: Well, that sent him into a whirl wind now.

3 REAGAN: Alright, so, and I ain't, I won't be in a
4 position to really talk nothing with you about this, until
5 maybe Friday sometime.

6 MCGILL: (laughs)

7 REAGAN: And I, I'm not getting into no hurry, no, the
8 best message to help him with that. The best way to really
9 help drive that home, is for that deal not to be on the
10 agenda tomorrow.

11 MCGILL: Oh, yeah.

12 REAGAN: And, and it's not.

13 MCGILL: Well.

14 REAGAN: When he see that, he alright.

15 MCGILL: Well, it's gonna be alright. It's
16 definitely gonna be alright, 'cause that boy is going
17 to be running, and he's gonna be pedaling hard now,
18 pedaling hard. (laughs) Him and SALEEM JAFAR.

19 REAGAN: They would love to be able to toss some more
20 people in the mix like that. They got, they got
21 PRINTICE, T,...

22 MCGILL: N&L..., D'ANGELO.

23 REAGAN: TP&L, they got, they got everybody, you
24 know.

25 MCGILL: Just in a twirl.

1 REAGAN: Yeah.

2 MCGILL: Well, unfortunately, they don't have a lot
3 more to put into it.

4 REAGAN: But, DARREN, well, now, you know, well, now,
5 you know, ah, ah, ah, ah, ah, PRINTICE and them have
6 the final approval on who they going to use on the,
7 ah. I said, no, no, we do. (laughs) I said, we
8 approve whoever PRINTICE recommend.

9 MCGILL: Well, that must have really, really socked
10 him in the jaws there.

11 REAGAN: I said, well, hey, man, you know, and, and I
12 said, but right now we're kind of getting ahead of
13 ourselves, so we'll, we'll, we'll firm everything up,
14 we'll start that discussion... (laughs)

15 MCGILL: (laughs)

16 REAGAN: ...Friday. But right now, nah, now is not
17 the time. I couldn't resist, man, listening to that
18 bastard.

19 MCGILL: Well, I knew he was going to be down on his
20 knees.

21 REAGAN: Huh?

22 MCGILL: I knew he was going to be down on his knees.

23 REAGAN: Oh, yeah.

24 MCGILL: And I, I, now I kind of thought he might
25 been able to hold off until 8 o'clock in the morning.

1 REAGAN: Oh no, oh no, man, he sweating right now.
2 Well, the thing is, he knows that if there's any hope,
3 it's got to be in two more weeks.
4 MCGILL: Mmm, hmm. Mmm, hmm. He know, well, and if,
5 what, and what he said is true on the contract, two weeks
6 is about all he's got anyway. So, they got a lot of stuff
7 to get done between now and then.
8 REAGAN: Well, yeah, and, and the, and the problem, the
9 problem is, is that we got some other things that's real
10 important going on, just as, as important...
11 MCGILL: Well.
12 REAGAN: ... going on and, ah, you know.
13 MCGILL: You got to fit in where you can get in at
14 this stage of the game here.
15 REAGAN: Because it's, it's just real, it's just real
16 critical right now. So, if, if, if y'all just went on and
17 worked accordingly, everything would have been fine.
18 But, y'all had to cause this confusion out here, and start
19 shuffling, so.
20 MCGILL: Mmm, mmm. But, you know what, now him, neither
21 SALEEM will sit down and ever say to, to themselves or each
22 other, they would do anything different. They not,
23 that's not in them. They don't see where they did
24 anything wrong, or anything else, and they gonna spend
25 some time trying to figure out, is there a way how we

1 can slick this, some kind of way.

2 REAGAN: Well.

3 MCGILL: You know, is there, is D'ANGELO, can

4 D'ANGELO get us out of this, or, (stuttering) or what

5 do you think?

6 REAGAN: We gonna call D'ANGELO.

7 MCGILL: Well, yeah. Now, they gonna spend some time

8 thinking on that end.

9 REAGAN: Well, they ain't gonna dare call DON.

10 MCGILL: Oh no, oh no.

11 REAGAN: I told them, I said, they ain't gonna call

12 DON, they ain't gonna call D'ANGELO. He probably have

13 already called him.

14 MCGILL: May have called him before he even got to

15 you.

16 REAGAN: Yeah, and D'ANGELO flushed him back to me.

17 MCGILL: Umm, hmm.

18 REAGAN: Because he, he, he done resign himself

19 somehow to Friday.

20 MCGILL: Well, well. Yeah. He just wanted you to confirm

21 that it's, it's off.

22 REAGAN: Yeah, I told him...

23 MCGILL: Off the agenda

24 REAGAN: I told him I wasn't feeling well this week.

25 (laugh)

1 MCGILL: (UI)
2 REAGAN: Earliest I might be able to look at this, is
3 Friday sometime.
4 MCGILL: Uhm. Well, it's certainly nice to know that
5 they got a contract floating around out there at the
6 end of the month. That's nice to know.
7 REAGAN: That's good. Now that's, you know, that's all
8 suspect too, but, contract's, contract's always renewable,
9 you have to put a little bit more money...
10 MCGILL: That's all.
11 REAGAN: ...down there, that's all.
12 MCGILL: But, in their case, they ain't got no
13 choice, but to put more in.
14 REAGAN: Well, and I don't care.
15 MCGILL: Yeah, they, they got to put more in.
16 REAGAN: It's going to take as long as it take.
17 MCGILL: Yeah, because they gotta roll the dice
18 again, they don't have no choice. They all, they went all
19 in before, so they, they gotta keep anteing up. They
20 just gotta wait their turn until the dice come back
21 around. Right now, it's just everybody else rolling.
22 REAGAN: Yeah. Brother, I'm gonna try to chill a
23 minute before the, before I get ready to head out here
24 and watch some of this, this ah, HILLCREST (UI),
25 LINCOLN game.

1 MCGILL: Yeah, yeah, I'm gonna, I'm gonna kick back for a
2 minute myself.

3 REAGAN: Well, we made it another, another day (UI).

4 MCGILL: Yeah, yeah. (UI) I guess they didn't burn
5 your phone up, we didn't get no calls.

6 REAGAN: And really, and really, and really, ain't
7 much, ain't nothing else they can think of, at that
8 this point, brother.

9 MCGILL: Well, that's, that's my point, you know, if
10 it was a big old boulder in the road, we be done heard
11 about it by now. So, if the best they can come up
12 with is ALBERTSON's sales, then I feel fine. (laughs)

13 REAGAN: Uh, uh, uh.

14 MCGILL: If that's the best they can come up with.

15 REAGAN: And they, and they read all the leases.

16 MCGILL: Oh yeah, oh yeah, they, they've gone through
17 them, and basically they, they already had sent back
18 what they found, you know. We need this page, we need
19 that page, we need to have this, that, they said all
20 that, that's all finished, so. But, if the, if the
21 biggest thing they could find was ALBERTSON's sales,
22 brother, hey, this train moving.

23 REAGAN: Good shot. Well, brother, relax up there a
24 minute, and then we'll try to catch them at tip off time.

25 MCGILL: Alright.

1 REAGAN: Man, we missed, we missed (UI) and them's game
2 last night, man, I was intending to go...
3 MCGILL: Oh, man.
4 REAGAN: Look here, the score, AL, was 92 to 93.
5 MCGILL: You are kidding me, and you know what, they
6 announced that damn game too.
7 REAGAN: (UI) told me that they had, that team they
8 played last night, they had a real good record too,
9 and I told her we would probably come out there, but
10 hell.
11 MCGILL: I ain't thought about it no more, but I
12 remember they announced it, that, the date of that game.
13 REAGAN: They play, I think they play Thursday, the
14 10th and the 12th. I looked at their schedule today
15 in the paper.
16 MCGILL: Okay.
17 REAGAN: Oh, (UI).
18 MCGILL: Oh, it's in the paper today?
19 REAGAN: Yeah, yeah.
20 MCGILL: I'll go back and check it then.
21 REAGAN: Under the, under the, under ABA, you know,
22 where they have the...
23 MCGILL: Right.
24 REAGAN:...ah, NBA score, NBA this and the, and, ah,
25 all that, it's at ABA...

1 MCGILL: Okay.
2 REAGAN: It have TEXAS TYCOON there, and it have
3 their little schedule on there too.
4 MCGILL: Okay.
5 REAGAN: Alright.
6 MCGILL: I'll holler at you.
